

Junior Wonders Website

By Christopher Lombardi

Who is your project for? (audience)

.My project is for Grandma's Nursery and After School Program

Audience Is:

- Working Parents with Children
- Children who live near Pelham NY
- Children between 2 and 5(Nursery School)
- Children who need a place to go after school (Kindergarten to Middle School)

What is the purpose of your project?

The purpose of this website is to increase the amount of students enrolled at My Grandma's Nursery School

To do this my family and I created a website that showcased the history of the company, the dates each program runs and forms to make it easy for the clients to sign up.

This project mattered to my grandma because most of her business is through word of mouth, so a online presence will hopefully keep her business open

- What were the major challenges of the project?

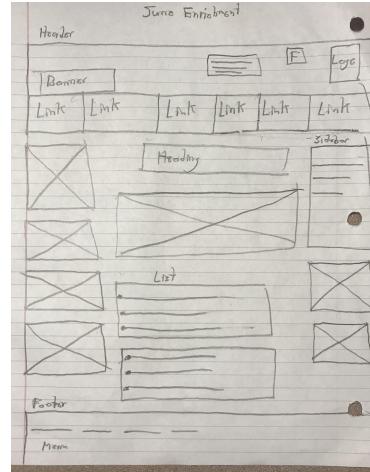

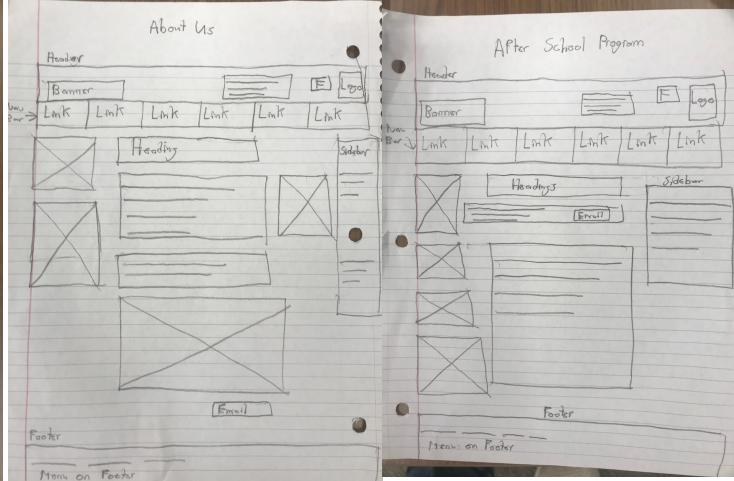

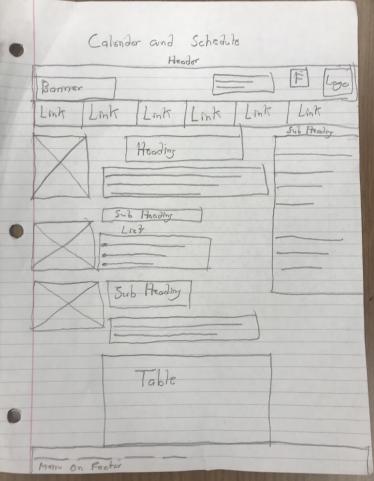

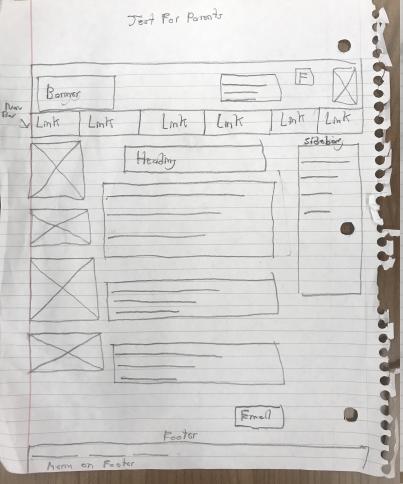

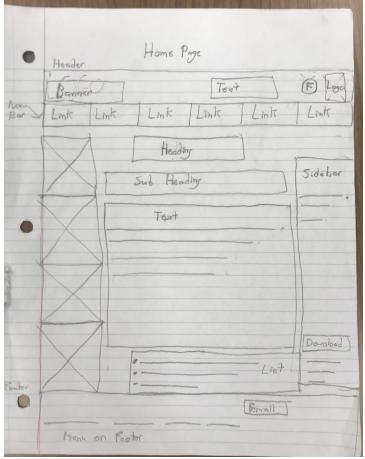

Some major challenges of my project was positioning my elements in the header and creating a navigation bar without bootstrap. Since my family isn't familiar with Bootstrap I decided to design the website using HTML and CSS. It was difficult to make my website responsive on mobile devices and get my elements from overlapping.

If I had more time and experience I would learn how to create a payment processor and web page that lets the user pick which services they need from the company. Also I would want to update all the information and forms from 2017-2018 to 2019 and 2020

who contributed to what

Chris	All the html and CSS
Chris	Added all images
Hope	Gave me all the information
Chris/Tom	created Banners and Logos
Chris/Tom	Positioned elements on the website

WELCOME

JUNIOR WONDERS NEWS:

Registration for the 2017-2018 school year is now open. Email or call for more info! [ENROLLMENT FORMS](#)

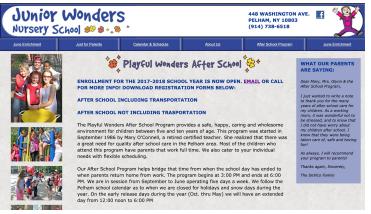

AFTER SCHOOL NOT INCLUDING TRANSPORTATION:

The Playful Wonders After School Program provides a safe, happy, caring and educational environment for children between five and ten years of age. This program was started to supplement the school day for children whose parents work or have other responsibilities. It promotes sharing and teamwork among children while helping the children to trust and respect the right of each other to be unique individuals.

The children are encouraged to work together and share their experiences with each other through various activities. The program includes a variety of fun-filled activities such as arts and crafts, group activities including story time, Creative Movement Classes and Safety Days featuring special guest speakers. The program also includes a variety of sports and games. Parents are invited to participate in meeting and seasonal activities including the Halloween Parade, Party Day and the Annual Christmas Concert. Please see the "What's Happening" section of the website for details on what's coming up.

Our facilities in the Community Hall offer a large indoor play area where children can run around and play together. Our outdoor play area is well equipped for fall and springtime fun.

PARENT PARTICIPATION

Parents are always welcome at Junior Wonders. They may visit the classroom and/or outside play area at any time. To view our parents' stories of all that goes on in the school, please click [HERE](#). You can also view our parents' stories on the [Facebook](#) page.

In addition, there is a monthly newsletter informing parents of all upcoming events and important dates and moments.

OUR 2-YEAR, 3-YEAR AND PRESCHOOL CLASSES:

Our 2 Year, 3 Year and Preschool classes are now accepting applications for fall 2017.

Special Events: We encourage parents to bring their child or children to special events and volunteering at our Junior Wonders fundraisers which are held throughout the year.

If a parent has a special talent, hobby or would like to read a story, they are encouraged to contact the Director to set up a time to do so.

Parent Volunteer Opportunities:

Please consider becoming a volunteer at Junior Wonders. Your time and talents are greatly appreciated. Just remember your spirit to protect!

The Junior Wonders Parent Board:

The Junior Wonders Parent Board, formed in September, 1997 is another way for parents to help support the school. Members of the board are elected by parents once a month and helps to create new fundraisers, assist in facilitating existing fundraisers and nominates volunteer award nominees. The Parent Board will discuss several
